B. Delivery of Goods.

(1) TIME IS OF THE ESSENCE IN THIS AGREEMENT. Seller will: (a) ensure the Delivery of Goods in complete and undamaged condition on or before the Delivery Date(s) in accordance with the provisions of this Agreement and the applicable Order; (b) ensure that a packing list accompanies each Delivery of Goods showing the Order reference number, the quantity and description of Goods, and Seller's name; and (c) at its own expense, ensure that Goods are properly secured for Delivery and if transported from outside India, properly packed for export (taking into account the mode of transport and the location of Goods).

McWane India Private Limited Terms and Conditions of Purchase - Non-Indian/Non-PRC Companies

(4) Notwithstanding any inspection or testing, Seller will remain fully responsible for Goods and no inspection or testing will diminish or affect Seller's obligations under this Agreement.

D. Completion of Services and Extension of Time.

(1) Seller will notify Buyer in writing when it considers it has completed Services. If Buyer, within seven (7) Days of the Completion Date, is not satisfied that Seller has performed Services in accordance with this Agreement, Buyer will notify Seller that Seller is required to continue to perform Services until they reach the stage of Completion to Buyer's satisfaction and Seller will continue to perform Services accordingly.

(2) Any inspection or review of Services by Buyer will not relieve Seller of its obligations to comply with the requirements of this Agreement and will in no way impair Buyer's right to require subsequent correction of non-conforming Services.

(3) Seller will notify Buyer in writing as soon as practicable, but in any event within five (5) Days, after becoming aware of any matter or circumstance which may adversely affect the scope, timing, and/or performance of Services and/or the Delivery of Goods (as applicable), detailing the matter or circumstance and its anticipated effect on the scope, timing and/or performance of Services, and/or Delivery of Goods (as applicable).

E. Liquidated Damages.

(1) If a rate for liquidated damages is set out in the Order for late Completion of Services (or any part) or Delivery of Goods and Seller fails to reach Completion of Services by the Completion Date or fails to Deliver Goods by the Delivery Date (as applicable), Seller will pay liquidated damages to Buyer for such delay. Seller accepts that the sum of liquidated damages represents Buyer's genuine pre-estimate of the Loss likely to be suffered by Buyer because of the delay by Seller and that the liquidated damages are not a penalty.

(2) Liquidated damages will be paid at the rate set out in the Order for each Day of such delay until and including the date Services have reached the stage of Completion or Goods have been Delivered (as applicable) in accordance with this Agreement. The total sum of liquidated damages payable by Seller to Buyer will not exceed the amount set out in the Order.

5. PRICE AND PAYMENT

A. Price. The Price for Delivery of Goods and performance of Services (as applicable) by Seller will be those specifically set forth in the Order. (1) Subject to Seller's performance of Services or Delivery of Goods (as applicable) to the satisfaction of Buyer and otherwise in accordance with this Agreement, Buyer will pay for such Services or Goods (as applicable) at the Time for Payment and on the Payment Terms subject to Buyer receiving the invoice from Seller in accordance with Clause 5.B(2).

McWane India Private Limited Terms and Conditions of Purchase - Non-Indian/Non-PRC Companies

(2) Seller may submit to Buyer an invoice for the Price payable in accordance with the Time for Payment and upon Completion of Services and/or Delivery of Goods, as applicable. Each invoice must include the Order number and must be forwarded together with full original documentary evidence. All invoices will be in such detail as Buyer may request.

(3) All invoices validly submitted will be paid at the Time for Payment; however, if Buyer has a bona fide Dispute in relation to any invoice, it will pay the undisputed amount and then the balance (if any) after agreement with Seller or after Dispute resolution proceedings have been finalized, whichever occurs first. As a condition precedent to any obligation of Buyer to pay any portion of the Price, Seller must have fully performed its obligations under this Agreement relating to such portion of the Price, including completion of Services by the Completion Date and/or Delivery of Goods by the Delivery Date. Payment of any invoice does not prejudice the right of Buyer to claim reimbursement of any Price if any of Services or Goods are found to be defective or otherwise not in compliance with this Agreement.

C. Retentions and Security.

(1) If stated in the Order, Buyer may retain moneys from payments to Seller up to the amounts specified in the Order. Such retentions will be released and returned to Seller thirty (30) Days after Services have been completed and/or Goods have been Delivered to Buyer's satisfaction.

(2) Buyer may request alternative security such as bank guarantees, letters of credit, and/or parent company guarantees in lieu of retentions and Seller will comply with such request to Buyer's satisfaction. In such case, as a condition precedent to any obligation on Buyer to pay the Price, Seller must have provided the bank guarantee, letter of credit, and/or parent company guarantee to Buyer.

D. Taxes and Currency of Payments. Unless specifically stated in this Agreement, the Price is inclusive of all taxes of any kind, expenses, and disbursements and all payments will be made in the currency indicated in the Order.

6. VARIATIONS

A. Right to Vary. Buyer may at any time, on five (5) Days' written notice to Seller, increase, omit, decrease, modify, or revise in any respect Services and/or the quantity or nature of Goods, provided the relevant Goods have not been dispatched by Seller for Delivery. If Buyer omits any part of Services and/or Goods, it may engage another seller to perform such omitted Services or to provide such omitted Goods and the Price will be reduced accordingly.

B. Adjustments to the Price. Any changes in Services or the quantities or nature of Goods will be calculated in accordance with the rates stated in the applicable Order; however, where no rates are specified, Buyer and Seller will in good faith negotiate and attempt to reach agreement on an equitable increase or reduction to the Price based on rates or other methods determined by the Parties. If no agreement is reached, Buyer will assess a reasonable adjustment to the Price. If Seller disputes the assessment, it may refer the Dispute to dispute resolution. In case of cancellation in whole of an Order in accordance with Clause 4.B(2)(a), Seller will, immediately upon being notified of the cancellation, refund any advance payment received from Buyer.

7. FORCE MAJEURE

A. Notice. Upon a Force Majeure Event occurring, the affected Party must notify the other Party as soon as practicable providing details of the Force Majeure Event and what steps it will take to mitigate the effects of the Force Majeure Event. The affected Party must notify the other Party as soon as practicable after the Force Majeure Event ceases or no longer causes the affected Party to be unable to comply with its obligations under this Agreement.

B. No Breach Due to Force Majeure Events. While a Force Majeure Event is occurring: (a) the affected Party is not liable for any inability to perform any of its obligations under this Agreement that are affected by the Force Majeure Event; (b) the affected Party must use its best efforts to mitigate against any Losses due to the Force Majeure Event, including where a Force Majeure Event occurs, but the effects of such Force Majeure Event do not occur immediately, in which case the affected Party must use reasonable efforts to mitigate its exposure to the future consequences; and (c) if the affected Party is the Seller, and it is actually critically delayed in reaching the Completion Date or Delivery Date as a result of a Force Majeure Event, it will be entitled to an extension of time to a Completion Date or a Delivery Date by a fair and reasonable period determined by Buyer having regard to the nature of the Force Majeure Event and its impact.

C. Price Adjustment. Seller agrees that Buyer may, during the period Seller is unable to perform its obligations under this Agreement, reduce the Price to the extent of the reduction in the ability of Seller to perform its obligations under this Agreement notwithstanding any other provision in this Agreement or the Order to the contrary.

D. Termination for Continuing Force Majeure. If a Force Majeure Event is continuing or its consequence remains such that the affected Party has been or is unable to comply with its obligations under this Agreement for a period of more than four (4) weeks, then Buyer may terminate this Agreement by giving twenty (20) Days' written notice to Seller.

8. INTELLECTUAL PROPERTY

A. Warranty Regarding IP Rights. Seller warrants to Buyer that the use by Buyer (or any party licensed by Buyer) of any Proprietary Information provided by Seller to Buyer will not infringe the IP Rights of any Third Party. The warranty under this clause survives expiry or termination of this Agreement.

B. Indemnity Regarding IP Rights. Seller agrees to defend and indemnify Buyer from and against all claims, damages, actions, or causes of action, together with all expenses and reasonable attorneys' fees, incident to any infringement or claimed infringement of any IP Rights arising from the use or sale of any of the Goods.

C. Licenses under IP Rights. In the event Seller provides to Buyer any Goods or process to be utilized by Buyer after Seller's Completion of Services, Seller will, at no expense to Buyer, provide to Buyer upon final payment a paid-up, irrevocable, royalty-free, nonexclusive license to operate said Goods and/or perform said processes. If Seller is unable to secure such license, Seller will, at no expense to Buyer, modify Goods to render them non-infringing or will remove Goods and replace them with Goods which will not infringe any IP Rights, provided that the modified or replacement Goods continue to meet the specifications of this Agreement.

9. INDEMNITY

A. Seller's Indemnity. Seller is responsible for, and must release and indemnify Buyer and any other member of Buyer Group from and against any Claim or Loss incurred or sustained by Buyer or any other member of Buyer Group in respect of: (a) death or personal injury to any person; (b) loss of or damage to property (including property belonging to Buyer or any other member of Buyer Group); and (c) any claim by a Third Party against Buyer or any other member of the Buyer Group for infringement of that Third Party's IP Rights; which may arise out of any act, omission, or default on the part of Seller or any other member of the Seller Group, including the performance or non-performance by Seller of its obligations under this Agreement.

B. Reductions. Seller's obligations under Clause 9.A are reduced to the extent that any Claim or Loss is caused by: (a) the wrongful, negligent, or unlawful acts or omissions, or willful misconduct of Buyer or any other member of the Buyer Group; or (b) a breach by Buyer of its express obligations under this Agreement.

C. Indirect Losses. Neither Party is liable to the other for any indirect, special, incidental, or consequential losses, including loss of profits, loss of use, loss of production, loss of business, or loss of business opportunity; however, nothing in this clause will be construed to limit Buyer's right to Liquidated Damages as indirect, special, incidental, or consequential losses, including loss of profits, loss of use, loss of production, loss of business, or loss of business opportunity.

10. INSURANCE

A. General. Without prejudice to the provisions of Clause 9 (Indemnity), Seller will, at its own expense, and will require its subcontractors at their own expense to, obtain and maintain as a minimum insurance coverage (under an "occurrence" policy form) from insurers that are of good reputation, and in an amount satisfactory to Buyer in its sole discretion and ensure that they are in full force and effect throughout the duration of the Agreement. Such insurance will insure: (a) Seller's indemnity obligations under this Agreement; and (b) Seller's and/or Buyer's liability for any property damage, bodily injuries, or death sustained by any person or persons, including Seller's employees, which was in any manner caused by, arising from, or related to Goods provided or Services performed by Seller, regardless of whether the alleged injury or damage was caused or alleged to be caused in whole or in part by Buyer's conduct.

B. Insurance Types and Limits. The types and limits of insurance will be as set forth in the Order. In addition to those set forth in the Order, Seller will be required to effect and maintain any additional insurances required by any authority having jurisdiction in respect of any part of Goods or Services. An umbrella or excess liability policy may be utilized if necessary to satisfy total limits required.

C. Additional Insured/Waiver of Rights of Recourse. All such insurances will include Buyer Group as additional insureds to the extent of the liabilities assumed by Seller under this Agreement and will be primary as regards any other coverage in respect of the risks assumed by Seller hereunder. Seller will obtain from its insurers a waiver of all rights of recourse, including without limitation subrogation, against the Buyer Group. All policies will be endorsed by use of language substantially similar to:

"The insurers waive their rights of subrogation against McWane India Private Limited, and its parent, Affiliates, divisions and subsidiaries ("Buyer") under Agreement No. [Insert Agreement number] between Buyer and [Insert Seller name] ("Seller"), and against any individuals, firms, or corporations for whom or with whom Buyer may be acting in connection with the performance of the Agreement."

McWane India Private Limited Terms and Conditions of Purchase - Non-Indian/Non-PRC Companies

The insurance will contain provisions which provide Buyer with a minimum of thirty (30) days' prior notification from the insurer of cancellation of, or any amendment in, the insurance policy. The insurer will also notify Buyer of failure to pay the insurance premiums or any other default of the policy.

D. Certificates Required. Prior to performance of Services or provision of Goods under this Agreement, Seller will provide evidence of all insurances required herein, and will provide certificates with respect to the policies carried, together with any other relevant information Buyer may reasonably require.

E. Failure to Provide Evidence of Coverage. If Seller fails to produce to Buyer satisfactory evidence that there are in force the insurances referred to in Clause 10.B and the Order, or any other insurance which Seller is required to effect under the terms of this Agreement, Buyer may effect and maintain any such insurance and pay such premiums as may be necessary for that purpose at Seller's expense. Any amount paid by Buyer for this purpose will immediately become due and payable by Seller. Buyer can deduct the amount so paid from any monies due, or which may become due, to Seller, or recover the same as a debt from Seller, by action at law or otherwise.

F. Renewals. If the insurance becomes renewable during the term of the Agreement, Seller will, if so requested, submit to Buyer copies of the renewed insurance certificates on the due dates.

G. Insurance Not a Limitation. Failure to secure the required insurance coverage, or to comply fully with any of the insurance provisions of the Agreement, or to secure such endorsements on the policies as may be necessary to carry out the terms and provisions of the Agreement will in no way act to relieve Seller from its obligations under the Agreement, nor will it in any way limit the obligations of Seller to indemnify the Buyer Group as set out in this Agreement.

11. DISPUTES

A. Negotiation of Disputes. Either Party may notify the other in writing of a Dispute under this Agreement. Within fourteen (14) Days of receipt of written notice of a Dispute, senior representatives of each Party must meet and negotiate in good faith to attempt to resolve the Dispute.

B. Failure to Reach Agreement; Arbitration.

(1) If the Dispute cannot be resolved within thirty (30) Days of the notice being received by the other Party, whether or not a Dispute meeting has been held, either Party may refer the Dispute to be finally solved by arbitration under the International Chamber of Commerce ("ICC") Rules, which are deemed to be incorporated by reference into this clause.

(2) The number of arbitrators will be three (3), chosen as follows: the ICC will designate a panel of ten (10) potential arbitrators knowledgeable in the subject matter of the Dispute. Each Party will designate, within thirty (30) days of receipt of the list of potential arbitrators, one of the potential arbitrators to serve, and the two arbitrators so designated will select a third arbitrator from the eight remaining candidates. The seat, or legal place, of arbitration will be New York, New York, USA, and the language to be used in the arbitration will be English.

(3) By agreeing to arbitration, the Parties do not intend to deprive any competent court of its jurisdiction to issue a pre-arbitral injunction, pre-arbitral attachment, or other order in aid of the arbitration proceedings or the enforcement of any award. Any interim or provisional relief ordered by any competent court may be vacated, continued, or modified by the arbitral tribunal on the application of either Party.

C. Jurisdiction and Venue. Notwithstanding the foregoing, each Party reserves the right to resolve or bring any Dispute in a court of competent jurisdiction in the courts of Coimbatore, India, and the Parties irrevocably agree that the exclusive venue for all Disputes between the Parties, except when the Dispute is arbitrated, will be the courts of Coimbatore, India, to which jurisdiction each Party irrevocably submits. Each Party waives any objection or defense that it is not personally subject to jurisdiction of the courts of Coimbatore, India; that venue of the action is improper; and that the action, suit, or proceeding is brought in an inconvenient forum. In addition to any other mode of service of process authorized by law, each Party consents to service of process by registered or certified mail.

D. Performance During Dispute Resolution. Seller is not entitled to suspend, defer, or modify the performance of Services or provision of Goods or any of its other obligations or responsibilities under this Agreement and will continue to perform or fulfill them pending resolution of any Dispute.

E. Survival. This Clause 11 will survive termination of this agreement.
